Freights and Contents, for terms of 1 to 5 years.

The program of this Corporation has been visible and
impressive, and the record of financial enablement and
aid, in periods eventful with the loss of ships, wrecking
of steamships and maritime disaster. Being long established
and successful, it is not surprising that the business
has not only been in no material participation, but
has been able to maintain its position of being
unimpaired, and the ability of property owners to
obtain loss being then much lessened.

Advantages in all the lines of business through
the State. Policies issued without delay, by any of
the member companies.

Business extended to west districts and **Adity**
